

WHOLE SCHOOL THEMES

Giving Nation is a fantastic vehicle for supporting your delivery of **SMSC across an entire year group***.

Through running student-led social action young people research, design and deliver **real benefits back to their communities** while learning valuable skills and competencies for life. *Over two-thirds of our schools network said they had used Giving Nation to evidence SMSC delivery.

Spiritual			
✓	✓	✓	✓
Beliefs, religious or otherwise, which inform their perspective on life and their interest in and respect for different people's feelings and values.	Sense of enjoyment and fascination in learning about themselves, others and the world around them, including the intangible.	Use of imagination and creativity in their learning.	Willingness to reflect on their experiences.
Moral			
✓	✓	✓	✓
Ability to recognise the difference between right and wrong and their readiness to apply this understanding in their own lives.	Understanding of the consequences of their actions.	Interest in investigating, and offering reasoned views about, moral and ethical issues.	
Social			
✓	✓	✓	✓
Use of a range of social skills in different contexts, including working and socialising with pupils from different religious, ethnic and socio-economic backgrounds.	Willingness to participate in a variety of social settings, cooperating well with others and being able to resolve conflicts effectively.	Interest in, and understanding of, the way communities and societies function at a variety of levels.	
Cultural			
✓	✓	✓	✓
Understanding and appreciation of the wide range of cultural influences that have shaped their own heritage.	Willingness to participate in, and respond to, for example, artistic, musical, sporting, mathematical, technological, scientific and cultural opportunities.	Interest in exploring, understanding of, and respect for cultural diversity and the extent to which they understand, accept, respect and celebrate diversity, as shown by their attitudes towards different religious, ethnic and socio-economic groups in the local, national and global communities.	

Giving Nation fosters **cohesive communities**. Young people go beyond the school gates to become **contributors to society**. By timetabling this opportunity, teachers provide a platform for **stronger community links** to be built between young people, parents, **civil society organisations** and their **neighbourhoods**. Additionally, Giving Nation facilitates young people to develop **Personalised Learning and Thinking Skills (PLTS)** and **functional skills**. The programme also supports the lesser promoted **Every Child Matters** agenda.

2014: NATIONAL CURRICULUM LINKS

CITIZENSHIP		
Aims	KS3 Subject Content	Example Activities / Issues
<p>Develop an interest in, and commitment to, participation in volunteering as well as other forms of responsible activity, that they will take with them into adulthood.</p> <p>Are equipped with the skills to think critically and debate political questions, to enable them to manage their money on a day-to-day basis, and plan for future financial needs.</p>	<p>The roles played by public institutions and voluntary groups in society, and the ways in which citizens work together to improve their communities, including opportunities to participate in school-based activities.</p>	<p>Whilst deciding which issue to tackle do a social mapping exercise of the local town to see which community groups already operate in your area. Once you've decided who to support petition your local council / MP / Parliament to help tackle that issue.</p>
	<p>The functions and uses of money, the importance and practice of budgeting and managing risk.</p>	<p>Create a social enterprise and use the G-Blog budget planner to track profit and expenditure.</p>
	KS4 Subject Content	Example Activities / Issues
	<p>They should experience and evaluate ways that citizens can act together to solve problems and contribute to society.</p> <p>Diverse national, regional, religious and ethnic identities in the United Kingdom and the need for mutual respect and understanding.</p> <p>The different ways in which a citizen can contribute to the improvement of his or her community, to include the opportunity to participate actively in community volunteering, as well as other forms of responsible activity.</p>	<p>Explore the concepts of social action by learning about different types of giving. Students can choose to set up a campaign, a social enterprise, a fundraiser or a volunteering project. Examples could include ...</p> <ul style="list-style-type: none"> • Running an environmental campaign asking for more cycle lanes to be put through your local town • Run a multicultural fundraising evening with students teaching others about a diverse range of cultures and making and selling foods from around the world. • Set up a social enterprise making and selling fair trade goods • Renovate a local area in the community turning it into an outdoor learning space for other schools.

2014: CROSS-CURRICULAR LINKS

Aims	Subject Content	Example Activities / Issues
MATHS		
	<p>KS3: Solve Problems: Develop their use of formal mathematical knowledge to interpret and solve problems, including in financial mathematics. Number: Use standard units of mass, length, time, money and other measures. Ration, proportion and rates of change: Solve problems involving percentage change... including in financial mathematics.
